

FROM THE DESK OF THE CHIEF OF POLICE

A NEW WAY TO SUBMIT SECURITY WATCH REQUESTS

One of the services we at the Lake Tansi Police Department offer to Property Owner's Association Members is that we will perform security watch checks on your property while you are away. In times past, you have always had to come to the police station to turn in a request for this service.

We now have the ability for you to submit your house check requests online so you don't have to make a trip to the Police Station. You may log onto the department website at laketansipd.com and go to the MORE tab at the top of the page and click on security watch request. On that page you will see a form where you can fill out your request and click the submit button at the bottom. The form will be sent to us electronically and we will add you to the security watch list.

Below that, there is also a form where you can cancel your request when you return home or for whatever reason you need to cancel.

You still have the option of stopping by the Police Station and filling out the form to turn in. We hope this makes it a little easier for you to utilize the service that we provide.

Anthony Brown, Chief of Police
